### Overview

We carry the full line of alternators, generators, and starters which are re-manufactured by Hartzell Engine Technologies for installation in general aviation aircraft. Fully FAA approved. All prices shown are exchange prices. Core charges are billed when unit is shipped. Core credit is issued upon return of acceptable like model core to us.

**Attention: These charts are for reference only. Check owners manual or current part installed to verify the model required prior to purchase.**[Alternator & Starter Chart](#)
