Opis produktu

ASA's plotter **includes all current IFR chart scales**, and features:

- 12 scales to accommodate both NACO and Jeppesen instrument charts (see velow)
- Conversion scale for nautical and statute miles
- Holding patterns depicted for both standard and nonstandard entries
- Compass roses allow quick course and bearing information
- Professional layout enabling easy reading during enroute spot checks
- Made of durable Lexan ® resin so plotter won't warp or break in extreme temperatures
- Made in the USA.
- Guaranteed- **Lifetime Warranty!**
