Opis produktu

At only 26 millimeters in height (1.024 inch) the new PowerBurst NG™ DayLite is a value light that does not sacrifice anything in performance or standards as other economy-priced lights offered by the competition

The exclusive and highly advanced optics and chrome reflector system, unmatched power and LED management circuitry, and Aveo's famous lowest-drag profile in the industry are all combined into a product that gives you unmatched POWER and FEATURES. Lower, narrower and shorter PLUS much lighter than industry lights in this category!

For Experimental Use Only. Not approved for installation on certified aircraft. This is not a TSO certified light.
