ES-4011LS NEW HARTZELL ALTERNATOR 28V 90A

Cena brutto	6 066,53 zł
-------------	--------------------

Cena netto	4 932,15 zł
------------	--------------------

Kod producenta	ES-4011LS
----------------	------------------

Opis produktu

Volts/Amps 28V/90A	Description Belt Driven	Model No. ES4011LS	Part No. ES-401LS
-----------------------	----------------------------	-----------------------	----------------------

Overview

Ford Style - FAA/PMA Approved

Part numbers with LS indicate pulley is not included.

Light Weight

High power density

Extensive use on UAV Applications

As the OEM, Hartzell Engine Technologies offers factory new alternators engineered specifically to meet the challenges and increased demands of today's aircraft electrical systems. Each unit is aviation designed & developed, no automotive parts used. For decades these alternators have been powering Lycoming/ Continental engines with unmatched performance and reliability.
