Opis produktu

PRODUCT DESCRIPTION:

High-stamina composite handle for Gen 4, 3, and 2 Apple iPad. It is NOT suitable for iPada 1 and the new iPad Air.

This handle is designed to store the following devices:

- Apple iPad 4, NO Etui, Skin, or Eui
- Apple iPad 3 NO etui, skin or etui
- Apple iPad 2 NO etui, skin or etui

Functions:

1. Full access to all ports
2. A patenting roll design for superfluous placement and removal of iPad
3. Lifetime warranty

Material:

High-strength compost

Please note:

1. This product is not suitable for mounting an iPad in a futerale. We recommend RAM-HOL-TAB3 or X Grip III for use with iPadem in case of a case.
2. You are solely responsible for compliance with applicable regulations when installing these products on vehicles.
