LPS Chainmate Chain & Wire Rope Lubricant

Cena brutto	99,04 zł
Cena netto	80,50 zł
Kod producenta	02416

Opis produktu

Overview

ChainMate Chain & Wire Rope Lubricant is moly-fortified and will perform under severe loads and extreme temperatures.

Fortified with molybdenum disulfide, increases chain and wire rope life, effective under extreme pressure and temperature ranges. Contains water displacing solvents to quickly penetrate into cracks and core of wire rope.

Anti-sling adhesion

Reduces wear caused by friction and corrosion

Provides maximum lubrication and corrosion protection

VOC compliant in all 50 states

Application

- Bushings
- Cables
- Chains
- Cranes
- Cutting tools
- Drag lines
- Drives
- Forklifts

Specifications

- OTC Compliant
- CARB Compliant
- Kimberly-Clark
- Minntac - US Steel
- Whirlpool
- PPG Glass Mfg.
- Honda Corp.
- General Motors Co.
- Ford Motor Co.
- Pratt & Whitney Canada MMC 21539
