### Opis produktu

#### PRODUCT DESCRIPTION:

This extremely versatile RAM product has unrestricted applications and will certainly become one of the most valued tools. RAM Tough-Clamp™ contains a 1-inch ball, which can be used to install various products using a wide range of RAM mounting solutions. Attach a GoPro camera, a smartphone or a similar light device on almost every square and round rail.

#### Attachment dimensions:

Square rails up to 44.45 mm

circular rails from 19 mm to 28,5 mm outer diameter

#### Functions:

sturdy nylon construction with corrosion resistant stainless steel equipment

Rotary jaw overlays provide a stable, uniform grip and protect the mounting surface

The clamp jaw is configured for round and strange shapes

The ball agreement is compatible with multiple RAM arms and anchorages

Built-in leash holes

Quick-enable and release clamp

Lifetime Warranty

Material: High-strength composite.
