Kod EAN/Wewnętrzny	5900000634104

Opis produktu

Rescue rafts for 4-6 persons (NON-TSO)

Part Number: 1400B-1/1500B-2

Size of parcel: 8 x 13 x 14 in

Weight: 8.6 kg

4-man with baldachimem and standard kit

The lightest and smallest package on the market, designed for private pilots and recreational sailors.

consists of capacitive tube, deck, lifeline, CO2 inflator system, deck holders, safety ropes, hand pump, rescue bucket, sea anchor, and suitcase.

The lightest and most compact-easy to move, hide and maneuver in any emergency situation.

Easily spaced by women, children, exhausted pilots or sailors.

A suitcase made of soft packaging made of practically indestructible nylon with safe collars on the turnips.

made of sturdy nylon fabric approved by the FAA from neoprene.

An optional, well-visible orange baldachim that assists in search and rescue activities.

Contains aluminum cylinders and valves that eliminate corrosion and significantly reduce weight.

The advanced technologically advanced CO2 filling system, pumping in 10 seconds.

Optional survival kits that meet individual requirements are available.

5-year warranty on parts and labor, built for shelf life over the applicable useful life.

Standard Set Content/FAR 91 Content:

baldachim with inflatable mast

hardware container

signaling flag

2-cell battery flashlight

3 signal flyings

a pharmacy

rafts repair kit

marine dye marker
